No refunds or exchanges. All concerts rain or shine. Artists, times & dates subject to change. Tickets will be mailed. For questions, please call our office at 348-5971. Please keep in mind that guests are sometimes invited by the performers to dance in the grassy area directly in front of the stage. While we do our best to control this, it is not always possible. If this will cause a problem for you, you may want to select seats in a higher row. Thanks!
